

# GRAY PANTHERS OF SAN FRANCISCO

## Hot August in San Francisco!

*Are you out of your mind? Everyone knows it's freezing in San Francisco in August!* Well, of course that's true. On the other hand, when you think of what they're trying to do this month to Social Security, Medicare, and Medicaid, it *is* pretty hot. And since we don't normally have a newsletter or meeting in August, we decided to send a special mailing about some important events going on.

### **Senator Feinstein! Hands Off Social Security! Wed, Aug 17, 11 AM Post & Market**

The Senate is crucial to stop the gutting Social Security, Medicare, and Medicaid, but Feinstein won't commit to protecting them. She also wants a *new* Commission to discuss the awful "Gang of Six" plan. Be sure to come! A CARA Action.

### **SF Care Congress Sat, Aug 20, 1-5 PM Mission High, Dolores / 18th**

At least a million new in-home care providers will be needed in the next 10 years. "Caring Across Generations" is a national plan to train them, protect their rights, and help frail seniors and disabled people find and afford them. Help launch this effort in San Francisco.

### **Join us at the Mime Troupe! Sun, Aug 21, 1:30 PM Yerba Buena, Park near 3rd & Mission**

This is our August get-together instead of a General Meeting. Chairs are provided, and lots of green space. Bring food for a picnic if you like. Watch the Mime Troupe agonize whether to sell out to corporate Big Brother. Maybe we'll get ideas?

### **PROTECT SOCIAL SECURITY AND MEDICARE! Wed, Aug 24, 1:30 PM Unitarian Cntr. 1187 Franklin**

Sens. Boxer & Feinstein and Reps. Pelosi & Speier are invited to get clear and strong messages from the audience and from students at Senior Action Network's Senior University, who spent weeks organizing this. Raise your voice!
