# FRIDAY, DEC. 2 DAY OF ACTION IN SF TO STOP THE CUTS

## Expand Social Security!

## No Cuts to Medicaid!

## Medicare for All!

## Jobs for All & Economic Fairness!

### 2:00 PM OCCUPY THE FEDERAL BUILDING PLAZA

(7th & Mission St./Civic Center Bart/Muni).

Assemble at the SF Federal Building where hundreds of us will peacefully deliver our strong message to government representatives of No Cuts to Medicaid; Expand Social Security and Medicare for All while a rally is held outside in the Federal Building Plaza. We will then march to the Financial District.

### 3:30 PM OCCUPY WALL STREET WEST

We will march to several wretched symbols of corporate and financial corruption — Westfield Plaza (to support SEIU Local 87), Wells Fargo Bank (to demand cancellation of student debt), and Verizon (to demand end to attacks on 45,000 union workers) — then to the Occupy SF area at the foot of Market St.

### 4:30 HYATT REGENCY

### 5:00 PM INTO THE NIGHT CELEBRATE & DEFEND OCCUPY SF

We will gather for a protest action at Hyatt Regency Hotel (foot of Market St.), a notorious symbol of corporate greed, to express our solidarity with Hotel Workers Local 2 before assembling for a rally/concert in Justin Herman Plaza to support Occupy SF.

This is a peaceful & family-friendly day of protest.
