

# FAIR SHARE FOR FAIR CARE: SENIOR & DISABILITY RALLY

Rally at Dr. Carlton Goodlett steps of City Hall

Date: Wednesday May 6th 2015

Time: 12:30—1:30 PM

20% of San Francisco's population is age 60 and over, and 20% have disabilities. We need to increase City funding so that seniors and people with disabilities receive the services we need to ***age with dignity***. Come to the rally and participate on the Neighborhood Livability & Affordability hearing

## WHAT DO WE NEED

- Services offered at Senior Centers
- Case management and care coordination for seniors
- Aging and Disability Resource Centers
- Free transportation for those too frail or ill to independently use MUNI
- Cost of Doing Business increase for non-profit contractors
- Working elevators in SRO hotels
- Community Living Fund
