

BUDGET JUSTICE EVENT:

HOUSING NOT HANDCUFFS/FAIR WAGES NOT CAGES

Mayor Ed Lee will release his proposed City budget on June 1st. The City's budget should **INCREASE RESOURCES** to address the **UNMET NEEDS** of the City's most **VULNERABLE** populations. Please come to the Supervisors Budget Hearing.

Date: Wednesday May 13th 2015

Time: 1 PM Board of Supervisors Budget Hearing

Location: San Francisco City Hall, Room 250

The City should loosen purse strings to bring us **TOGETHER** because San Franciscans are living worlds **APART**.

One world is secure in **PENTHOUSES**.

The other world is barely hanging on to **SOLITARY ROOMS**.

Right now the San Francisco budget is **BOUNTIFUL**.

We must **SHARE** the **WEALTH** so the people who make our city **BEAUTIFUL** and **PROSPEROUS** can **AFFORD** to stay in their **HOMES**.

JOBS and **HOUSING** keep us **SAFE**, and should be prioritized over police and potholes
