

GRAY PANTHERS OF SAN FRANCISCO

Tuesday April 19 Meeting

**12:30-3:00 PM, Unitarian Center
1187 Franklin (at Geary), Fireside Room,
All Welcome, Free, Wheelchairs OK.
Francisco Herrera invited to come to sing.**

What's the future for the Gray Panthers? What's your experience as a Gray Panther been like? Come to this meeting to take part in a discussion of our alternatives for the future. Help chart our course through the coming choppy waters.

It's spring, and time for a fresh start. We'll sail above the current obsession with the Presidential election and consider our alternatives. Should we continue our push to get rid of the insurance companies with a Medicare-for-All/single-payer health plan? Perhaps we might campaign to get rid of Daylight Savings Time? Maybe we could lead a campaign to get the fluoride out of San Francisco's water -- in addition to our campaign to avoid bottled water? Or a campaign to get toxic chemicals such as Roundup out of our parks? Produce a Paul Robeson Songbook? Put Sojourner Truth on the \$20 bill? And so on. What suggestion(s) might you have for issues that will attract support and new members and make the world a better place?

Bring your ideas -- and maybe a snack to share. Coffee and tea provided as usual.
