

**Join seniors, people with disabilities & allies  
Let's march together to  
SUPPORT MEDICAID (Medi-Cal)**

**Friday,  
January 20<sup>th</sup>  
Our Medicaid contingent  
will gather at 10:00 am**

**Location to be announced  
(in the financial district, near Justin Herman Plaza)**

We must speak out against plans by Congress and the incoming President to repeal the Affordable Care Act (and Medicaid expansion) and turn Medicaid into block grants, which would cut health care benefits.

The full march will start at 8 am at Justin Herman Plaza and will conclude with a 12 pm rally at Trump-owned 555 California Street. Full march organized by Jobs with Justice - SF ([jwjsf.org](http://jwjsf.org)) and Bay Rising ([bayrising.org](http://bayrising.org))

On January 20<sup>th</sup>, Donald Trump's inauguration will begin an onslaught of dangerous and hate-fueled policies. We must reclaim our democracy and show the nation we'll defend our communities and fight for justice. Join the movement to save health care, public education, civil liberties, worker rights, environmental protections, LGBT rights, and more.

Senior & Disability Medicaid Contingent
