Sutter a message:
STEP ASIDE SUTTER!
So we can
SAVE ALTA BATES!**

March with the Stroller Brigade

Sutter Health is holding East Bay communities' health care hostage by refusing to retrofit Alta Bates Hospital, threatening to shut it down while slowly stripping away the care we depend on for our lives! If Alta Bates closes, communities will suffer, people will die.

Alta Bates — Birthplace of the East Bay — belongs to the community! Sutter is profiting off our communities' need, shamefully amassing over \$14 billion in assets.
