HealthCare Action Team

Coalition of Agencies Serving the Elderly

Happy Valentine's Day (eve)

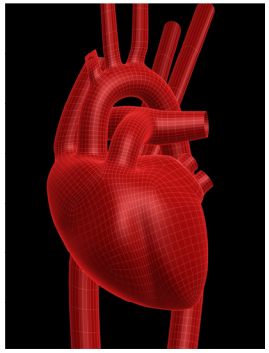

This Happy Valentine's Day (eve) card was brought to you by the HealthCare Action team (HAT) of Senior and Disability Action (SDA). SDA was created by the merger of Senior Action Network and Planning for Elders. We are a group of people with disabilities, seniors, caregivers, allies and activists who support healthcare, homecare, housing, community based services and a broad social service safety net for all people. We believe that healthcare and housing are human rights and that everyone has the right to be in their homes. We support disability rights and senior power. For more information call James Chionsini 415-546-1333 ext 304 james@sdaction.org

SENIOR & DISABILITY ACTION

OPEIU Local 3

Dear Supervisor_____,

As you prepare for Valentine's Day, please keep in mind these issues that we, as a large voting constituency of seniors and people with disabilities, feel strongly about. We are preparing to be vocal, visible and active around the following issues in the coming years and we would like your support. We wish you a very special, loving and happy Valentine's Day and would like you to remember the following things:

Love and hope, _____
